BENJAMIN BOYER
COMPUTER SCIENCE

OBJECTIVE

I am a recent West Chester graduate with a B.S. in Computer Science looking to begin a career in software development and exceed expectations in a professional environment.

SKILLS

8+ years of classroom experience with the Java programming language.

Strong understanding of HTML, CSS, Javascript, R, and Python languages.

Knowledge of MySQL, Microsoft Access, and other database technologies.

Experience with Javascript frameworks such as jQuery and p5.js.

EXPERIENCE

DELI CLERK/GROCERY ASSOCIATE • GIANT FOOD STORES • APRIL 2015 – CURRENT
Providing excellent customer service by supplying a variety of products in a fast-paced retail atmosphere. Daily duties included maintaining a clean workspace, taking inventory, and occasionally assisting adjacent departments.

RIDE OPERATOR • HERSHEY ENTERTAINMENT AND RESORTS • SUMMER 2014
Operating a variety of rides within a group setting. Typical workday tasks involve maintaining a high level of safety, efficiency, and positivity, while ensuring our guests are having an enjoyable experience.

EDUCATION

BS COMPUTER SCIENCE • 2018 • WEST CHESTER UNIVERSITY OF PENNSYLVANIA
Classroom experience with designing user interfaces as well as database management. Other coursework including computer security, compilers, and operating systems.

HS DIPLOMA • 2013 • LEBANON HIGH SCHOOL
Four years of classroom experience in computer technologies and programming.
